SEC. 260. HEIGHT LIMITS: MEASUREMENT. (a) Method of measurement.

The limits upon the height of buildings and structures shall be as specified on the Zoning Map. In the measurement of height for purposes of such limits, the following rules shall be applicable:

1. The point above which such measurement shall be taken shall be as specified in the definition of "height" in this Code.
2. The upper point to which such measurement shall be taken shall be the highest point on the finished roof in the case of a flat roof, and the average height of the rise in the case of a pitched roof, or any higher point of a feature not exempted under subsection (b) below.

3. In cases where the height limit is 65 feet or less and a street from which height measurements are made slopes laterally along the lot, or the ground slopes laterally on a lot that also slopes upward from the street, there shall be a maximum width for the portion of the building or structure that may be measured from a single point at curb or ground level, according to the definition of "height", as specified in the following table.
- These requirements shall not apply to any property to which the bulk limitations in Section 270 of this Code are applicable.

Table 6

Height Measurement on Lateral Slopes
Where Height Limit is 65 Feet or Less

Average Slope of Curb or Ground From Which Height is Measured	Maximum Width for Portion of Building that May be Measured from a Single Point
5 per cent or less	No requirement
More than 5 per cent but no more than 15 per cent	65 feet

More than 15 per cent but no more than 20 per cent	55 feet
More than 20 per cent but no more than 25 per cent	45 feet
More than 25 per cent	35 feet

- (b) Exemptions. The features listed in this subsection shall be exempt from the height limits established by this Code, in an amount up to but not exceeding that which is specified.
1. The following features shall be exempt; provided the limitations indicated for each are observed; provided further that the sum of the horizontal areas of all features listed in this paragraph (b)1 shall not exceed 20 per cent of the horizontal area of the roof above which they are situated; and provided further than in any R district the sum of the horizontal areas of all such features located within the first 10 feet of depth of the building, as measured from the front wall of the building, shall not exceed 20 per cent of the horizontal area of the roof in such first 10 feet of depth.
 - As an alternative, the sum of the horizontal areas of all features listed in this paragraph (b)1 may equal but not exceed 20 per cent of the horizontal area permitted for buildings and structures under any bulk limitations in Section 270 of this Code applicable to the subject property.

- Any such sum of 20 per cent heretofore described may be increased to 30 per cent by unroofed screening designed either to

1 obscure the features listed under (A) and (B) below or to provide
2 a more balanced and graceful silhouette for the top of the
3 building or structure.

4 (A) Mechanical equipment and appurtenances necessary to
5 the operation or maintenance of the building or structure
6 itself, including chimneys, ventilators, plumbing vent
7 stacks, cooling towers, water tanks, panels or devices for
8 the collection of solar or wind energy and window washing
9 equipment, together with visual screening for any such
10 features. This exemption shall be limited to the top 10
11 feet of such features where the height limit is 65 feet or
12 less, and the top 16 feet of such features where the height
13 limit is more than 65 feet.

14 (B) Elevator, stair and mechanical penthouses, fire towers,
15 skylights and dormer windows. This exemption shall be
16 limited to the top 10 feet of such features where the
17 height limit is 65 feet or less, and the top 16 feet of
18 such features where the height limit is more than 65 feet.

19 (C) Stage and scenery lofts.

20 (D) Ornamental and symbolic features of public and
21 religious buildings and structures, including towers,
22 spires, cupolas, belfries and domes, where such features
23 are not used for human occupancy.

24 2. The following features shall be exempt, without regard
25 to their horizontal area, provided the limitations indicated for
26 each are observed.

27 (A) Railings, parapets and catwalks, with a maximum height
28 of 4 feet.

29 (B) Open railings, catwalks and fire escapes required by
30 law, wherever situated.

(C) Unroofed recreation facilities with open fencing,
including tennis and basketball courts at roof level,
swimming pools with a maximum height of four feet and play
equipment with a maximum height of 10 feet.

(D) Unenclosed seating areas limited to tables, chairs and
benches and related wind screens, lattices and sunshades
with a maximum height of 10 feet.

(E) Landscaping, with a maximum height of 4 feet for all
features other than plant materials.

(F) Short-term parking of passenger automobiles, without
additional structures or equipment other than trellises or
similar overhead screening for such automobiles with a
maximum height of 8 feet.

(G) Amusement parks, carnivals and circuses, where
otherwise permitted as temporary uses.

(H) Flag poles and flags, clothes poles and clothes lines,
and weather vanes.

(I) Radio and television antennae where permitted as
accessory uses and towers and antennae for transmission,
reception, or relay of radio, television, or other
electronic signals where permitted as principal or
conditional uses, subject to the limitations of subsections
227(h) and (i) of this Code and limitations imposed by the
City Planning Commission.

(J) Warning and navigation signals and beacons, light
standards and similar devices, not including any sign
regulated by this Code.

(K) Public monuments owned by government agencies.

(L) Cranes, scaffolding and batch plants erected

(N) Buildings, structures, and equipment of the San Francisco Port Commission, where not subject to this Code due to provisions of the San Francisco Charter or State law.

Section 4. Notwithstanding any other provision of the San Francisco Municipal Code, the provisions of Sections 204.3(c), 227(h) and (i), and 260(b)2(I) and (M) of this Ordinance shall be operative on and after February 4, 1980.

SECTION 7 THEREOF TO REVISE THE METHOD OF COMPUTING PREPAYMENTS;
PROVIDING FOR EFFECTIVE DATE OF APRIL 1, 1980; AND CODIFYING

Be it ordained by the People of the City and County of San
Francisco:

Section 1. Ordinance No. 275-70 (Payroll Expense Tax

The amount of such tax for persons other than Associations

one and one-half (1-1/2%) percent of the payroll expense of such
person.

The amount of such tax for Associations shall be one (1%)
percent of the payroll expense of such Association, plus one (1%)
percent of the total distributions made by such Association by
way of salary to those having an ownership interest in such
Association; provided, that such tax shall be levied only upon
that portion of association distributions (computed in the same
manner as if such association distributions were definable as
payroll expense) and that portion of payroll expense which are
attributable to the City and County of San Francisco as set forth
in Section 4; provided further that the amount of such tax
commencing January 1, 1977, shall be one and one-tenth (1-1/10%)
percent of the payroll expense of such Association, plus one and
one-tenth (1-1/10%) percent of the total distributions made by

(1-1/2%) percent of the total distribution made by such
Association by way of salary to those having an ownership

1 This ordinance shall not be construed as requiring any
2 license whatsoever, nor shall payment of this tax be a condition
3 precedent to engaging in any business within the City and County
4 of San Francisco. This tax is imposed for general revenue
5 purposes and in order to require commerce and the business
6 community to carry a fair share of the costs of local government
7 in return for the benefits, opportunities and protections
8 afforded by the City and County of San Francisco.

9 Sec. 7. Payments, Returns, Prepayments and Extensions.

10 (a) The taxes imposed herein shall become due and payable
11 on January 1st of each year and shall become delinquent if not
12 paid on or before the last day of February of each year.
13 Concurrently with the payment of the taxes imposed herein, the
14 taxpayer shall make a Payroll Expense Tax Return as provided
15 herein. The Tax Collector shall, within 15 days after the
16 effective date of any amendments to the rates imposed hereunder
17 or to the definitions of taxpayers herein, prepare instructions
18 available for public distribution advising the public regarding
19 the tax rates and the dates of payment.

20 (b) Each person subject to the tax imposed by this
21 ordinance shall, on or before the last day of February of each
22 year and concurrently with the payment of the tax herein imposed,
23 make and file with the Tax Collector on a form obtainable from
24 the Tax Collector, a return for the preceding calendar year
25 setting forth such information as the Tax Collector shall
26 require, including (unless the Tax Collector waives the need to

BOARD OF SUPERVISORS

furnish same) his payroll expense for each individual performing
work or rendering services, in whole or in part, in the City and
County of San Francisco, together with that portion of his
payroll expense for each such individual attributable to the City
and County of San Francisco, plus the aggregate amount of his
payroll expense for all such individuals attributable to the City
and County of San Francisco, plus such other pertinent
information as the Tax Collector may require.

(c) Notwithstanding the date otherwise provided for herein
for the payment of the tax due hereunder, every person who, for
any calendar year becomes liable for payment of a total Payroll
Expense Tax in an amount which exceeds One Thousand Dollars
(\$1,000.00) shall be required to make tax payments for the
following calendar year in two installments. The first
installment (hereinafter called "tax prepayment"), shall be a
credit against the total Payroll Expense Tax liability
attributable to said following calendar year, and shall be in an
amount equal to one-half of his estimated payroll expense tax
liability for the then current year; said estimated payroll
expense tax liability shall be computed by using taxable payroll
expense for the preceding tax year, and the rate of tax
applicable to the current tax year. The second installment shall
be reported and paid as otherwise provided herein and shall be in
an amount equal to total Payroll Expense Tax liability less the
amount of any tax prepayment actually paid. Commencing with the
calendar year 1974, such tax prepayment shall become due and

BOARD OF SUPERVISORS

Page 4

payable every July 1st and shall become delinquent every August 1st. Any tax prepayment required hereunder which is not paid before the delinquency date shall bear a penalty of ten percent (10%) and shall also bear interest at the rate of one-half (1/2) of one percent (1/2) per month or fraction thereof for each month of said delinquency. Said tax prepayment shall be accompanied by a tax prepayment form prepared by the Tax Collector, but the failure of the Tax Collector to furnish the taxpayer with a tax prepayment form shall not relieve the taxpayer of his tax prepayment obligation set forth herein. If the taxpayer can establish by clear and cogent evidence that said prepayment will amount to more than his total tax liability for the calendar year in which the tax prepayment becomes due, the Tax Collector may, in writing, adjust the amount of the tax prepayment.

(c) Notwithstanding the date provided for herein for the payment of tax due hereunder, the Tax Collector hereby is authorized, for a good cause, to grant extensions not in excess of sixty (60) days for the payment of such tax or prepayment and for the making of such return, in which case no penalty shall be added to the amount due and payable if, and only if, said tax is paid within the extension period granted by the Tax Collector; provided, however, that all taxes and tax prepayments required to be paid hereunder which become delinquent shall bear interest beginning with the first day of delinquencies at the rate of one-half (1/2) of one percent (1/2) per month or fraction thereof, notwithstanding the granting of an extension by the Tax Collector.

1 (c) The meaning of the term "gross receipts" as used herein
2 shall be that set forth in Section 2.6; provided that such term
3 shall include the total contract price for the work performed by
4 such architect or engineer, without deduction for consulting fees
5 and irrespective of whether the contract is one on a stipulated
6 sum or on a cost-plus fee basis or one under the terms of which
7 the architect or engineer acts as agent for the owner.
8 (d) Whenever an architect or engineer performs work or
9 renders services in part within the City and County of
10 San Francisco and in part without the City and County of
11 San Francisco, no apportionment shall be made except that the tax
12 shall be levied only on that percentage of gross receipts equal
13 to the percentage which working time expended within the City and
14 County of San Francisco bears to his total working time both
15 within and without the City and County of San Francisco.

16 Sec. 9. Payments, Returns, Prepayments and Extensions.

17 (a) Due Date of Taxes. Unless otherwise specifically
18 provided for in other provisions of this ordinance, the taxes
19 imposed by this ordinance shall become due and payable to the Tax
20 Collector annually on or before the last day of the month of
21 February next succeeding each respective annual period.

22 (b) Return: Time for Filing, Persons Required to File
23 Execution. Unless otherwise specifically provided for in other
24 provisions of this ordinance, on or before the last day of
25 February of each year, a return for the preceding annual period
26 shall be filed with the Tax Collector, in such form as he may

1 prescribe, by every person liable to payment of tax hereunder
2 during such annual period.

3 (c) Contents of Return. Return shall show the amount of
4 tax due for the related period and such other information as may
5 be reasonably required by the Tax Collector for the purpose of
6 ascertaining the amount of tax due.

7 (d) Prepayments. Notwithstanding the date otherwise
8 provided for herein for the payment of the tax due hereunder,
9 every person who, for any calendar year commencing with 1973,
10 becomes liable for payment of a total business tax in an amount
11 which exceeds One Thousand Dollars (\$1,000.00) shall be required
12 to make tax payments for the following calendar year in two

13 installments. The first installment (hereinafter called "tax
14 prepayment"), shall be a credit against the total business tax
15 liability attributable to said following calendar year, and shall
16 be in an amount equal to one-half of his estimated business tax
17 liability for the then current year; said estimated business tax
18 liability shall be computed by using gross receipts (for each
19 business category) for the preceding tax year, and the rate of
20 tax (for each business category) applicable to the current tax
21 year. The second installment shall be reported and paid as
22 otherwise provided herein and shall be in an amount equal to
23 total business tax liability less the amount of any tax

24 prepayment actually paid. Commencing with the calendar year
25 1974, such tax prepayment shall become due and payable every July
26 1st and shall become delinquent every August 1st. Any tax

prepayment required hereunder which is not paid before the
delinquency date shall bear a penalty of ten percent (10%) and
shall also bear interest at the rate of one-half (1/2) of one
percent (1%) per month or fraction thereof for each month of said
delinquency. Said tax prepayment shall be accompanied by a tax
prepayment form prepared by the Tax Collector, but the failure of
the Tax Collector to furnish the taxpayer with a tax prepayment
form shall not relieve the taxpayer of his tax prepayment
obligation set forth herein. If the taxpayer can establish by
clear and cogent evidence that said prepayment will amount to
more than his total tax liability for the calendar year in which
the tax prepayment becomes due, the Tax Collector may, in
writing, adjust the amount of the tax prepayment.

(e) Extension of Time for Filing a Return and Paying Tax.
For good cause, the Tax Collector may extend for not to exceed
sixty (60) days the time for making any return, payment of tax or
prepayment. No further extension shall be granted except by the
Board of Review. Any person to whom an extension is granted,
whether by the Tax Collector under this section or by the Board
of Review under Section 19, who makes return and pays the tax or
prepayment within the period of such extension shall pay, in
addition to the tax, interest on the amount thereof at the rate
of one-half of one percent per month, or fraction thereof for the
period of such extension to the time of return and payment.

Section 2. Section 9.5 is added to the Business Tax
Ordinance (Ordinance No. 245-66) as follows:

1 Section 2.5. The Tax Collector shall, within 15 days after
2 the effective date of any amendments to the rates imposed
3 hereunder or to the definitions of taxpayers herein, prepare
4 instructions available for public distribution advising the
5 public regarding the tax rates and the dates of payment.
6 Section 3. Ordinance No. 245-68 (Business Tax Ordinance) is
7 hereby codified into Part III, San Francisco Municipal Code, as

1 AN EMERGENCY ORDINANCE, AMENDING THE SAN FRANCISCO ADMINISTRATIVE
2 CODE BY AMENDING CHAPTER 37, SECTION 37.3 THEREOF REGARDING RENT
3 INCREASE GUIDELINE.

4
5 Be it ordained by the People of the City and County of San Francisco:
6
7 Section 1. The San Francisco Administrative Code is hereby
8 amended by amending Chapter 37, Section 37.3 thereof to read as
9 follows:

10 SEC. 37.3 Applicability.

11 (a) This chapter shall apply to any landlord or tenant of a
12 rental unit wherein the rental increase or total increase within
13 any continuous twelve (12) month period of a given tenant's
14 occupancy beginning on or after April 15, 1978 exceeds 7%; provided,

15 (1) In addition to the increase guidelines herein,
16 landlords may impose an additional 6% increase without this
17 Chapter becoming applicable if no rent increase was in
18 effect between April 15, 1978 and April 14, 1979, and the
19 existing tenant was a tenant during that entire period, or
20 an additional 12% increase if no rent increase was in effect
21 between April 15, 1977 and April 14, 1979 and the existing
22 tenant was a tenant during that entire period; provided
23 further,

24 (2) for the twelve (12) month period beginning April 15,
25 1979, the guideline 7% increase for a given tenant's
26 occupancy shall be reduced by the amount by which any rent
27 increase in effect during the same tenant's occupancy
28 between April 15, 1978 and April 14, 1979 exceeded 15%;
29 provided further,

30 (3) in order to reduce the incentive for landlords to
impose the full guideline percentages under Sec. 37.3(a),

any portion of those percentages not imposed by the landlord as an
increase on or before the effective date of this ordinance may be
accumulated and imposed at some later date and this chapter shall
not be applicable to such increase; provided further,

(4) any guideline increase shall be computed based upon the
existing rent at the date of a notice of rental increase or the
highest rent paid by the tenant for the same rental unit since April
15, 1978 for any unit where the landlord reduced the rental rate
because of real property tax savings.

(b) New leases entered into from the effective date of this
ordinance, whether long-term, month-to-month, or implied, oral or
written, are covered by the terms of this ordinance.

(c) This chapter shall also apply to any tenant evicted
pursuant to Sec. 37.9(a)(11).

Section 2. Emergency Legislation. In approving this ordinance
by a three-fourths vote, this Board of Supervisors does hereby
declare that an actual emergency exists and that the immediate
preservation of the peace and safety of the people of the City and
County of San Francisco necessitates that it take effect upon the
signature of the Mayor. The evidence which leads this Board to find
that an emergency exists is as follows:

(a) That there is a severe residential housing shortage in San
Francisco.

(b) As a result of the low vacancy rate and ever increasing
rental charges, a housing emergency exists within the City and
County of San Francisco requiring immediate legislative action by
the Board of Supervisors.

(c) that landlords and tenants must be given adequate notice

//

1 of the rental increase guideline to be in effect on April 15, 1980
2 in order to comply with notice and appeal procedures of state and
3 local laws.

1 TEMPORARILY PROHIBITING THE CONVERSION OF RESIDENTIAL UNITS ABOVE
2 THE GROUND FLOOR TO COMMERCIAL USE, AND TEMPORARILY PROHIBITING THE
3 APPROVAL OF PERMITS FOR SUCH CONVERSION AND USE IN SPECIFIED C-2
4 ZONES; AN EMERGENCY MEASURE.

5
6 Be it ordained by the people of the City and County of San Francisco:

7 Section 1. Findings.

8 The Board of Supervisors hereby finds:

9 (1) There is a shortage of decent, safe and sanitary housing in the
10 City and County of San Francisco resulting in a critically low vacancy
11 factor.

12 (2) This shortage of housing is exacerbated by the proliferation of
13 conversions of residential rental units to commercial use.

14 (3) The Board of Supervisors and the Planning Commission have
15 recognized the urgency of the problem, particularly in certain neigh-
16 borhood commercial areas, and are presently engaged in the process
17 of adopting revisions to the Planning Code to create Neighborhood
18 Commercial Special Use Districts in particular neighborhoods. The
19 Planning Commission has recently adopted a Neighborhood Commercial
20 Zoning Study.

21 (4) That, in order to provide a reasonable period of time for the
22 development, adoption, and implementation of permanent legislation to
23 control such conversion, and in order to prevent the frustration of
24 such legislation by conversions which may conflict with legislation
25 ultimately adopted, and for the purpose of protecting the public
26 safety, health and welfare, the Board of Supervisors finds that the
27 adoption of this ordinance, as an emergency measure, is necessary.

28 Section 2. Housing Use.

29 Except as provided below, during the term of this ordinance it is
30

1 prohibited to convert a residential unit above the ground floor to
2 commercial use in the following C-2 zones, or to commence an eviction
3 for the purpose of such a conversion, notwithstanding the provisions
4 of Administrative Code Sec. 37.9(a)(10):

5 1. 3225 to 3705 SACRAMENTO STREET between Lyon and Spruce Streets
6 and 345-430 Presidio Avenue.

7 2. 1300 to 1899 HAIGHT STREET between Central and Stanyan Streets.

8 3. 400 to 600 CASTRO STREET between 19th and Market Streets;
9 4051-4257 18th Street between Diamond and Hartford Streets; and
4105-4123 19th Street between Castro and Collingwood Streets.

10 4. 1800 to 2399 MARKET STREET between Castro and Valencia Streets;
11 325, 327, 375 Castro Street; 250-292 and 313-333 Noe Street;
12 3600, 3583, and 3571 17th Street; 150-212 Sanchez Street; 655,
683, 685, 689, 691, 693 and 700-748 14th Street; 200, 214 and
216 Duboce Street; and 1, 102-250, 101-271 Church Street.

13 5. 3750-4199 24th STREET, Diamond to Chattanooga Streets.

14 6. 2700 to 3399 24th STREET, between Valencia and Potrero Streets.

15 7. 920 to 1590 VALENCIA STREET between 20th and Army Streets.

16 No use permit allowing the conversion of any residential unit to
17 commercial use shall be approved in any of the above noted C-2 zones

18 while this ordinance is in effect, provided, however, that the City
19 Planning Commission may, pursuant to Planning Code Sec. 303, authorize
20 such a conversion after a public hearing.

21 Section 3. Term.

22 This ordinance shall expire by its own terms six months after its
23 effective date unless sooner terminated by the adoption of permanent
24 legislation or by other action of the Board of Supervisors.

25 Section 4. Enforcement.

26 In addition to the provisions of Planning Code Sec. 176, any private
27 party or the City and County of San Francisco through the Department
28
29
30

1 of Public Works may commence an action to enjoin any actual or
2 threatened conversion of any residential unit to commercial use in
3 violation of this ordinance.

4 Section 5. Emergency Legislation.

5 In approving this ordinance by a three-fourths vote this Board of
6 Supervisors hereby declares that an actual emergency exists and that
7 the immediate preservation of the peace and safety of the people of
8 the City and County of San Francisco necessitates that it take effect
9 upon the signature of the Mayor. The evidence which leads this Board
10 to find that an emergency exists is set forth in Section 1 herein.

11 Section 6. Severability.

12 If any provision or clause of this ordinance or the application
13 thereof to any person or circumstance is held to be unconstitutional
14 or to be otherwise invalid by any court of competent jurisdiction,
15 such invalidity shall not affect other provisions, and clauses of
16 this ordinance are declared to be severable.

ORDINANCE NO. 15280

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE, CHAPTER 10 THEREOF, BY
 ADDING ARTICLE XVIII THERETO, DIRECTING THE CONTROLLER TO DRAFT
 PROCEDURES AND PROMULGATE RULES AND REGULATIONS REQUIRING CITY
 DEPARTMENTS, TO THE EXTENT THAT THEY OPERATE FROM THE CITY'S GENERAL
 FUND, TO DETERMINE THE COST OF SERVICES RENDERED OR FACILITIES PROVIDED
 TO REVENUE-PRODUCING DEPARTMENTS AND ALL OTHER DEPARTMENTS FUNDED FROM
 SPECIAL SOURCES.

Be it ordained by the people of the City and County of San Francisco:
 Section 1. Chapter 10 of the San Francisco Administrative Code
 is hereby amended by adding Article XVIII, Sections 10.194 through
 10.199 thereto, to read as follows:

ARTICLE XVIII. General Fund Cost Recovery Procedures
 Section 10.194. Purposes. Many of San Francisco's departments,
 offices, agencies, boards and commissions funded in whole or in part
 by the general fund as defined below (hereinafter referred to as
 service rendering agencies) render services or provide facilities to
 other San Francisco departments, offices, agencies, boards and
 commissions funded in whole or in part by special funds as defined
 below (hereinafter referred to as recipient agencies).

The general fund is derived from a number of taxes and other
 general revenue devices, the proceeds of which are not earmarked for
 specific purposes and are not deemed to fall into the category of
 special revenues. All other revenues are special revenues and fall
 into special revenue funding. This ordinance makes a mutually
 exclusive distinction between the General Fund and Special Revenue Funds.

Section 10.195. Controller's Duties. The San Francisco
 Controller (hereinafter referred to as the Controller) shall be charged
 with the responsibility for the administration of this article.

BOARD OF SUPERVISORS

The Controller shall prepare those budgetary procedures,
 regulations, reporting requirements and guidelines sufficient to
 enable him to determine for each service rendering agency the costs of
 its operation to the extent services are rendered or facilities
 provided to recipient agencies and, if not funded directly by recipient
 agencies, to allocate the cost of that operation on and amongst
 recipient agencies to the extent that these recipient agencies are
 funded from Special Fund sources.

Section 10.196. Annual Survey. The Controller shall on an
 annual basis conduct a survey to determine which San Francisco agencies
 render services or provide facilities to (other San Francisco) non
 General Fund agencies and how much in terms of services and facilities
 are provided on an annual basis by each service rendering agency to
 each recipient agency.

Section 10.197. Computation of General Service Charge. Based
 on the aforementioned services, the Controller shall calculate the
 total cost of services rendered and facilities provided by all service
 rendering agencies to each recipient agency and, on a recipient agency
 by recipient agency basis, shall interpret that total cost into a
 specific percentage of each rendering agency's total annual
 expenditures. This percentage shall be known as the general service
 charge.

Section 10.198. Departmental Budget Estimates. Each recipient
 agency as part of its annual budget estimate shall include in that
 estimate an allocation of funds for transfer to the general fund
 sufficient to defray the anticipated cost of services to be rendered
 and facilities to be provided by all rendering agencies, calculated on
 the basis of its general service charge prepared by the Controller.

Section 10.199. Controller's Review. The Controller shall on
 an annual basis, as part of his duties in reviewing budget estimates

BOARD OF SUPERVISORS

1 submitted to him and consolidated by him for transmission to the
2 Mayor, verify that the annual budget for each recipient agency contains
3 an allocation of funds for transfer to the general fund sufficient to
4 fund the cost of services to be rendered and facilities to be provided
5 by all rendering agencies. In those cases where the Controller
6 determines that the recipient agency has failed in its budget estimate
7 to make the allocation of funds for transfer to the general fund to
8 defray the cost of rendering services or providing facilities to all
9 service rendering agencies, calculated pursuant to its general service
10 charge, the Controller shall make the appropriate allocation by
11 reducing expenditures for other items in the budget estimates.

1 AMENDING SECTION 18 OF ANNUAL APPROPRIATION ORDINANCE FOR FISCAL YEAR
2 1979-80 TO PROHIBIT REIMBURSEMENT OF THE EXPENSES OF TRAVELING TO
3 STATES WHICH HAVE NOT RATIFIED THE EQUAL RIGHTS AMENDMENT.

4
5 Be it ordained by the People of the City and County of San Francisco:

6 Section 1. We hereby find as follows:

7 (a) The State of California has ratified the Equal Rights Amend-
8 ment (ERA) to the United States Constitution along with thirty-four
9 other states, but it must be ratified by three-fourths or thirty-
10 eight of the States before it becomes part of the Constitution;

11 (b) Individuals and groups which support ratification of the ERA
12 are urging their members not to attend and other groups not be
13 schedule conventions in States which have not ratified the ERA.

14 (c) The boycotting of conventions in States which have not rati-
15 fied the ERA is costing these States at least \$130,000,000 annually.
16 The indirect impact due to the turnover of dollars spent by con-
17 ventions delegates is almost three times this amount.

18 (d) As a result of the convention boycott the City Council in
19 such cities as Chicago and Miami have urged their state legislatures
20 to ratify the ERA. The attorneys general in Missouri, Louisiana and
21 Nevada have sued the National Organization of Women to enjoin the
22 organization from working to obtain support for the boycott asserting
23 that it is causing substantial injury to the economy and prosperity
24 of their States.

25 (e) This Board of Supervisors supports adoption of the ERA and
26 finds that it is in the interest of the City to encourage other
27 states to adopt the ERA by joining in the convention boycott. This
28 board is, through, amending the annual appropriation ordinance to
29 limit the expenditure of public monies for travel to allow reimburse-
30 ment only for travel to meetings and conventions in States which have

1 ratified the ERA.

2 Section 2. Section 18 of the Annual Appropriation Ordinance is
3 hereby amended to read as follows:

4 Section 18. Any officer or employee of the City and County of
5 San Francisco except in the discharge of routine duties, who shall
6 under the authority of law or ordinance, leave the city and county
7 for the purpose of performing any official duty for or on behalf of
8 the city and county, or for the purpose of rendering any service to
9 or for the city and county, or for the purpose of officially repre-
10 senting said city and county, or any board, commission, office or
11 department, shall be allowed as the expense incident to said service
12 the actual cost of transportation, including pullman charges, if any,
13 together with an amount for living expenses not to exceed twenty five
14 dollars per day for each and every day while said officer or employee
15 is absent on said official business, or, with the concurrence of the
16 Controller, such actual and necessary travel and other expenses as
17 may be incurred.

18 Allowance for traveling expenses shall be based upon the most
19 efficient, direct and economical mode of transportation required by
20 the occasion, provided, however, that at the option of the person
21 authorized to leave the City and County of San Francisco on official
22 business, travel may be accomplished in the State of California by
23 such means as the person so authorized deems proper. In extraordinary
24 or emergency cases, transportation to points outside the State of
25 California may be contracted in the most expeditious and expedient
26 manner.

27 The number of days which shall be used as the basis for com-
28 puting the allowance for expenses other than transportation hereunder
29 shall not exceed the number of days required in traveling and at-
30 tending to the business or the purpose for which the trip is made.

5 voted to official business, and provided further, that a statement
6 from an accredited Christian Science Practitioner or one authorized
7 to practice as such by the First Church of Christ Scientist in Boston,
8 Massachusetts, certifying to treatment and the need therefore, may be
9 accepted in lieu of such certification by a duly licensed physician
10 or surgeon.

11 The Controller shall establish rules for the payment of all
12 amounts payable pursuant to the first paragraph of this section, and
13 for the presentation of such vouchers as he shall deem proper in con-
14 nection with expenditures made pursuant to said section. No allowance
15 shall be made for traveling expenses provided for in this ordinance

17 accordance with the provisions of the Charter and after June 1, 1979,

24 quired to live away from his place of residence. Such maintenance
25 shall not be considered as wages and shall be paid by separate check.

26 The Controller shall advance the sums necessary for traveling
27 expenses, but proper account and return must be made of said sums so
28 advanced by the person receiving the same within ten days after said
29 person returns to duty in the City and County of San Francisco, and

8 not expire prior to the November 4, 1980 California general

11 arbitration and stabilization ordinance is allowed to expire over
